CARL RONNOW

Global Wood Exporter Since 1989

Carl Ronnow (M) was established 35 years ago and is headquartered in Kota Kinabalu, East Malaysia with own yard and kiln dryers.

The company is engaged in:

- Export of sawn timber from East and West Malaysia
- Export of sawn timber and veneer from Gabon
- Export of plantation logs from South Africa
- Trade in softwood sawn timber and veneer from Europe and South America.

All tropical wood export is quality controlled by own staff in Malaysia and Gabon. Our environmental department has for many years been at the forefront of tropical forestry regulations to guide and safeguard buyers and suppliers alike.
